Jackpot II Product Usage

Directions: Put one ounce of Jackpot II per 50 gallons of water; add every time you fill water trough. Clean water troughs periodically. Can be added to feed; 2-3 drops per feeding or as desired. Wash hands after use.

Bio S.I. Jackpot II is available in pints, quarts, gallons, 5 gallon pails, 55 gallon drums or in totes. Larger orders and tankers can also be delivered upon special order.

Floor-Mate Product Usage

Horse Stalls: Use 6-8 ounces per 1 gallon of water and spray the floor and up to two feet up the walls where urine may splash. Also spray corral around feed troughs and watering vessels to help break up manure and control odor.

Bio S.I. Floor-Mate is available in pints, quarts, gallons, 5 gallon pails, 55 gallon drums or in totes. Larger orders and tankers can also be delivered upon special order.
